Why doesn't George Harrison get as much credit in terms of his Guitar work just like other players? Why do people get angry when Ludovico Einaudi questions are put in the classical question category? Why do Seasons 2 and 3

of Quantum Leap on DVD have songs removed and replaced with alternate music? Why do some hamsters freeze whenever you look at them and are they scared or angry or just nervous? Why are microwaves used to send signals to and from communication satellites instead of radio waves? Why did more than one person try to kill 50 cent. Many men many many may men wish death on him. Why? Why do music producers create album covers even for music that is only downloaded from the Internet? Why do singers from the first half of the 20th century have a "warmer" quality to their singing? Why do some still try to argue that country music is anything but formulaic, simplistic, and trashy? Why when you turn off and on again your car you loose the radio channels ant the hours of the clock? Why would the fuse that controls the radio and interior lights in a 96 Grand Am SE keep blowing out? Why did they release the song "I need a doctor" for download now instead of when they made the video? Why does it feel that the classical world is filled nothing but prejudice envy and egotistic people.? Why do people forget the song "I Will Always Love You" is Dolly Parton's song, not Whitney Houston's? Why the **** cant you god damn stupid **** people just give us a link to the **** sing up page? Why did anyone ever like Alantis Morisette? she is the most disgusting singer I have ever seen nearly? Why in modern day cartoons do they not have the same kind of music or amount of music as old cartoons? Why is it in the music video Party in the USA does the American flag have only 33 stars and 8 stripes? Why vertical polarized wave is preferred over horizontal polarized wave in mobile radio communication? Why did they choose the Red Hot Chili Peppers song Dani California for the Death Note live action film? Why does everybody like Reggae Music so much? Is is the beat, the culture, the nice people, no frills?? Why does the UK never win the Eurovision Song Contest when they have some of the biggest names in music? Why do you think siddartha's father would not allow him to leave the ground in the religion of Buddhism? Why is it that when a singer with an English accent sings, it disappears and becomes an American accent? Why is the treble clef a standard symbol for music when that is only half of the standard musical range? Why would all the Instrument panel lights not work including the radio light on a 1999 Pontiac Grand Am? Why would a 1995 Monte Carlo not make a sound when turning the ignition although it has lights radio etc? Why would a Jeep Grand Cherokee radio quit working for no reason and then come back on a few miles later? Why do Rock fans (myself included) shame Rap for taking from other songs when Rock and Roll does the same? WHY TF DO WHITE PEOPLE THINK THAT THEY COULD JUST TAKE SOMETHING FROM ANOTHER CULTURE AND CALL IT THEIRS?? Why do people tell me i'm goth, skater, punk and emo just because i wear alot of black and listen to metal? Why is the American music scene dead. Where everywhere else in the world music seems to

WHY
be going as usual.? Why might a 2000 Hyundai Elantra jerk and sometimes sound like it is missing or you are driving in neutral? Why did the Jonas Brothers get another dog they are way too busy they will never have enough time for a dog? Why would the radio and dashboard lights light up if the car will not turn over not even click just silence? Why are they're only five members of lostprophets on the The Betrayed album when there's clearly six members? Why does his big brother look at you a lot does he know his little brother likes you please no silly answers? Why is a person who plays the piano called a pianist, but a person who drives a race car not called a racist? Why is it when I sing without music I sound amazing recorded but when I sing over the music I sound horrible? Why would a 66 Impala 396 run 200F on the freeway but overheat in traffic with 4 core rad shroud 7 blade fan? Why did fans mail letters with the stamp to non-existent addresses when Elvis Presley stamp was issued in 1993? Why doesnt the power antenna work after I just installed a new kenwood radio CD player in my 1995 Honda accord? Why does young dolph make me feel chill and thug I love his music and need to understand why he's so amazing? Why are there no youth movements anymore ,there used to be hippies,punks skinheads ,Gothics ,now there are none? Why will the radio light up change stations etc but no sound will come from the speakers on a 1996 Toyota Camry? Why did twentieth century composers incorporated elements of folk and popular music within their personal styles? Why your temperature needle going up an down when you drive on the freeway and then at 55mph up stay mostly down? Why does everyone treat John Lennon like a god even through Paul was the one who wrote most of The Beatles songs ? Why does my Dean guitars bottem E string 'the tiniest one' keep breaking at the tuning peg every time i tune down? Why don't people realize that Trump doesn't need to salute the National Anthem because the Anthem is saluting him? Why do you think that radio refused to tell coach Jones who it was that told him to go into the girls' locker room? Why are a lot of great historical people (i.e. music composers) and products (i.e. steinway piano) of German origin? Why does the French national anthem urge the citizens to use the blood of the nations enemies to water their fields? Why do most singers pretty much lose their ability to sing completely by about their late seventies, early eighties? Why is hip hop/rap songs and videos of female strippers and rappers fladhing money so prominent of this music genre? Why do I get hiccups when screaming or growling along with heavy metal songs and how do I stop them from interfering? Why do most people think that a tuba player is a nerdy pimply guy because I'm a tuba player and not a guy or pimply? Why is dash flashing off and on to clicking sound after installed new radio in 91 fifth avenue and how can you fix it? Why is it that on a acoustic guitar when you strum you cannot hear a clear sound from the strings which you hold down? Why does music written in a minor key sound "sad"

or "downbeat," while music in a major key sounds "happy" or "upbeat"? Why are many composers alive today far better than Mozart and Beethoven were in terms of overall talent and versatility? Why is it whenever I'm sad I always put on sad music and I try to listen to happy music but I just feel uncomfortable..? Why are statistics useful in explaining group behavior but not reliable for explaining or predicting individual behavior? Why is 90s rap/hip hop considered the best decade for rap/hip hop and 2010s considered t he worst decade for rap/hip hop? Why is music so boring today? Almost stale. I grew up in the 90's with the most random bands and outrageous front men ..? Why would a never married narcissist take you for a lovely dinner and then become nervous and leave quite soon after sex? Why are Irish Folk songs so downbeat and Morbid as contrasted with Italian Songs which are Happy-minded for the most part? Why are Slipknot and KoRn hated on so much? I mean they're 100 times more interesting than all the stale bands out today.? Why do teenage girls tell teenage boys they don't want them around only to seek them out later and try to flirt with them? Why does a vibrating guitar string not sound as loud when it is mounted on a workbench as it does when mounted on a guitar? Why do we have a pop/rap artist on the country music awards are you serious. put Garth brooks on the BET. enough is enough? Why do you think The Beatles have always been more popular than Bob Dylan when he is just as good (maybe better, secretly)? Why people think that Metal is satanic music? Not every Metal music are satanic and not every pop and edm song not satanic? Why would a 1993 Ford Probe SE not crank all of the sudden tried jumping it there is no noise at all radio and lights work? Why does the radio panel disply on your 1999 Mountaineer not work for months at a time then suddenly work for 20-30 minutes? Why would you not be able add any more songs to your MP3 player even though you know it has space because you deleted songs? Why did Johnny Cash intentionally change the meaning of why did Johnny Cash intentionally change the meaning of NiN's "Hurt"? Why does Vanilla Ice get heat for "Stealing" (sampling) Queen's Under Pressure, when every single rapper does the same thing? Why do women pretend like everything is fine in the relationship and then suddenly break-up - many times with no explanation? Why is We Are the World called We Are the World 25 for Haiti there are more than 80 artists so it's not like it's 25 artists? Why do people say I can't sing if they heard me sing one time and it didn't sound good at all? How is that proof I can't sing? Why does the My Chemical Romance website have the mask off to the side that you can click and it brings you to that weird page? Why do peeple still go to collej? i aint go and i stii make 4 figures to support my famly? they taking our momey for no reason? Why do some guitars sell for so much on eBay even though they're used and others not as much or at all even though they're new? Why would your 20-year-old daughter

physically beat you and verbally abuse you and go into rages when you don't agree with her? Why can we learn how to listen to someone speak and replicate it perfectly, but listen to someone sing and replicate it terribly? Why isn't music such as this more popular in the U.K.? (what would think if your friend turned this on in car with you and why)? Why is the phrase Matter can never be created or destroyed stated as a fact for how can existence be here if it never was formed? Why are a lot of great historical people (i.e. music composers) and products (i.e. steinway piano) of German origin? Just curious? Why don't universities teach students about the great black classical composer Johann Heinrich Schwarzvogel (a.k.a. Mehmet Siyah)? Why does the radio head unit just completely power off in the 03 Olds Alero when driving Is the Ipod Adapter installed incorrectly? Why do non-ambidextrous string players hold the pick (or bow) in their "good" hand and hold the strings down with their other hand? Why would your 1994 Mercury Grand Marquis make a loud buzzing noise after the engine is warmed up and it stops when you accelerate? Why is freddie mercury so much rememberd because of his vocal range when there are plenty of famous singers with higher vocal range? Why on iTunes is there only one song but on my iTouch there is a copy of the songs I have brought off of iTunes and how do I fix it? Why would the radio in a 1994 Camry suddenly stop working after a new battery was installed as it doesn't appear to be a blown fuse? Why when you changed the battery of your car the radio navigation system has been blocked and you can not open the radio and the DVD? Why 95 Dodge Neon won't start radio and lights come on but nothing when key is turned replaced starter to positive cable still nothing? Why dont most song have a chorus anymore, how are w supposed to sing along or have catchy lyrics in our head? Bring back 80s type songs? Why can't (or doesn't) anybody write music that sounds like Bach, Vivaldi, Albinoni, Geminiani, Locatelli, Telemann, Heinichen, or Handel? Why say "music was better in the past" when pop music in general is designed to appeal to the lowest common denominator and always sucked? Why does Vampire Weekend sing about Massachusetts They have quite a number of songs about Cape Cod and Boston but they're from New York...? Why dont artist make memorable/classic songs like back in the days. An artist can do a song today and ppl will forget it after some months? Why do people listen to virtuoso and shredder guitarists these days instead of guitarists like joe perry or Santana or jimmy page or slash? Why do so many rappers ? much of the black community seem almost proud to engage in so much stupidity ? f**kery? Don't you want to move up? Why is the radio display for your 1994 Chrysler New Yorker not working everything on the radio works and lights up except for the display.? Why are people like Megan Nicole and

WHY
 Tiffany Alvord famous? They can sing average at best, they have no power in their voice, can only sing? Why do so many people like "Country music" in the USA? does anyone agree it sounds pretty nauseating? why think so or help me understand it? Why do you continue to hang on to one another if you argue all the time and why doesn't one of you just walk away and end this relationship? Why did "Ace of Base" make such a big deal out of playing in Tel Aviv, Israel? they are not Jewish, but by the way they talked about it.....? Why is nobody making a big deal about Elvis' new album with newly recorded songs but their angry about Michael Jacksons newly recorded album? Why does my 2001 Pt Cruiser radio and CD player not working not even the time will show up does anyone know why this might be or how to fix it? Why if foot brake depressed at Park or going slowly radio works but accelerating or at speed radio devolves to faint volume and lots of static? Why all of a sudden do TV news and entertainment people have microphones on the side of their faces like Madonna and Garth Brooks did in the '80s? Why is there crime and why is there hate and why is your beer overflowing and why is the sky blue and why oh why oh why is the world so messed up? Why does a 1999 Grand Prix GTP stall intermittently and crank right back up until now it doesnt want to crank as easily it happens about once a week? Why doesnt it say chris Lawrence is singing background vocals on Justin Biebers song One Less Lonely Girl in the album credits when he is singing on it? Why does the Car change radio stations by itself how could that be and when the brake is pressed it feels like it wants to go to floor but brakes is ok? Why is Tim Minchin's song F Sharp funny I don't get it is it because it is really difficult musically to play in a different key to what you are singing? Why would a woman you dumped and weren't nice to who was sad now be really missing her ex-husband and not you when at first she said she was so sad by you? Why did my 1993 Dakota suddenly lose the lights radio horn and ABS and brake light is the only lights on your dash All of the fuses relays and grounds are fine? Why does Mariah Carey get music awards for African-Americans when her mother was Irish American and her father was of Afro-Venezuelan and Afro-American descent? Why would the radio in a 1999 Expedition shut off when shifted from park to reverse then go back on when shifted into neutral then shuts off when shifted into drive? Why would your 1987 Buick LeSabre's engine cut out when you put it in Park and now the car will not start although power comes to lights radio etc when the key is turned? Why won't the 1998 Cutlass start even though the ignition switch is on with dash radio and headlights working also radio speakers has faint sound and there's a clicking sound? Why is Bob Dylan such a significant figure in rock history and what is his connection to the folk revival movement the 1950s beat culture and the Newport Folk Festival of 1965? Why is 1997 Honda accord making really bad screeching and squealing noises when driving this

morning it can't be the breaks because just had them done and this sounds different? Why would a Mountaineer radio that scrolls the radio station and name of the song being played along with the artist only partially scroll then stop until it feels like starting again? Why has music become so lazy lately all it is a simple drumbeat some annoying person singing and a guitarist that i could outplay and I'm 14 and have been playing for a year and a half? Why would the LED display lights i.e. odometer radio air conditioner etc. go off when the headlights are turned on on my 2005 Silverado The units all still work but the LED's turn off.? Why does the dome light stay on with Dodge Spirit 1994 unable to fix unless pull 10 A fuse to dome light unit and radio Removed dome light bulb and left fuse in battery still drains down? Why did the bass in my stereo in my 1999 Town Country van cut out I can hear the radio but its very quiet and has no bass There is no fuse marked stereo or amp in the fuse box Please help? Why are Miley Cyrus and Nick Jonas getting married at such a young age i bet it is just what they wanted to happen when they first met and when they first got to be girlfriend and boyfriend? Why does 1995 Ford Escort LX not start when ignition switch clicks with key but engine doesn't turn over and instrument panel lights on without key in ignition and radio heater and lights work? Why has your boyfriend of 6 months not told his ex-girlfriend of less than 6 months about you if you both live in London and she lives in LA and he speaks to her once a month and what should you do? Why does 1996 bonneille sse radio shut off outside temp gauge bounces all over oil gauge bounces all over and water temp gauge is hot car runs great radio started acting up first then gauges followed? Why would belt driven engine fan blades break off without contacting any obstruction you checked clearance all around after reinstall Could fan have been damaged before install Revs 3k whamo all gone? Why are we who dwell with a narcissistic spouse rendered so speechless and confused when he so loudly and convincingly presents the case that it isn't him being selfish and controlling but you instead?
